

Bangarang Tampa

Bangarang brings focused music wrapped up in a party mentality. From Tampa, FL, these six minds meld together to create a head bobbing, body moving interactive experience for all who are involved during the live shows.

Along with their debut album "Galaxy Dust," Bangarang is blazing a trail from Florida to the rest of the world connecting with their largest crowd at Okeechobee Music Festival 2016. With empowering, well-written, and catchy lyrics supported by rhythms and melodies so diverse, you either want to break dance or zone out at the stars, sometimes at the same damn time.
